Known That Fighting Is Heavy, and Massacres Have Been Committed.

London, July 4 -- Evidence that serious fighting is occurring in Macedonia is found in the arrival of large numbers of wounded and prisoners at the various Balkan capitals, but owing to silence at Sofia, and to the conflict-ing and probably blased stories from Servian and Greek sources, it is impos-sible to form any accurate idea of the struggle. There has been no formal declaration of war, and although it is reported the Bulgarian minister to Greece has been recalled, he has not
